## Gazing upon the Gulf of Mexico

with its foaming tide gently rolling upon the white sands of Clearwater Beach, one might pause to remember the various brooks, springs, streams, and rivers which together supply the Gulf continuously with life-giving water. Without water the Gulf would cease to exist. Without water our lives cease to exist. It is water which refreshes and sustains life.

As the Gulf, so our lives are supplied with the essential "waters" from numerous sources which fill our lives to form and shape them. We therefore present to you, clearwater . . .

# He swings.

Rhythmic motion of arms in time to beautiful music, an occasional addition of his own rich voice to that of the school choir, enthusiastic announcing at football halftime, the motivating inspiration at Pep Club and assemblies, his warm friendly smile at lunchtime, and those wonderful glaring red shoes—these characteristic descriptions surely identify a man whom Clearwater High School admires and respects deeply.

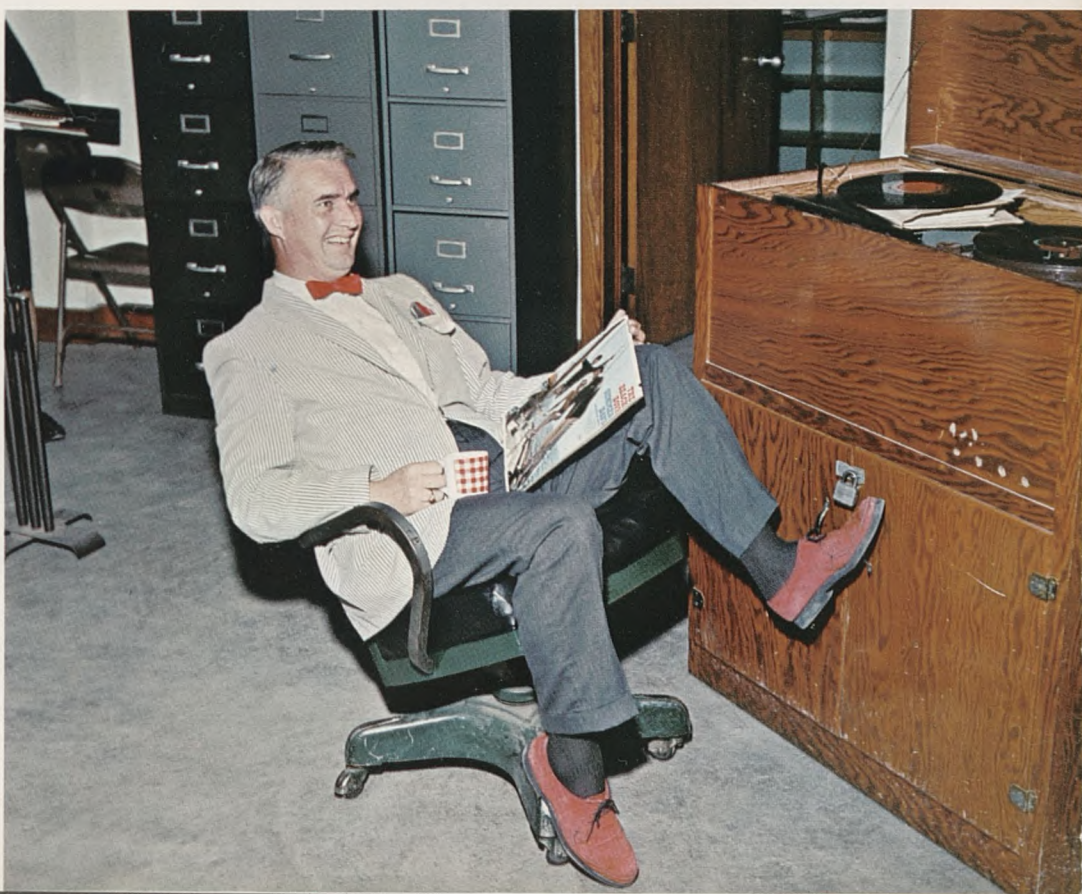

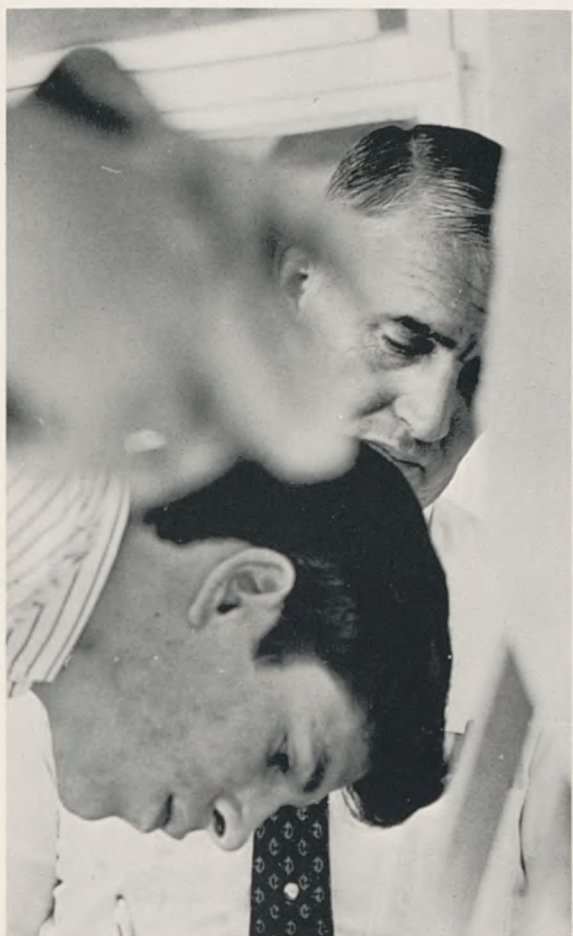

In appreciation and gratitude for the meaningful impression you have made on our lives, we the Senior Class of 1967 dedicate the 1967 *Aqua Clara* to you our teacher and friend, Mr. Robert Sackett.

One of the highest honors a CHS senior can attain is that of being chosen to the student Hall of Fame. Names of outstanding students are submitted by a faculty committee. Further nominations are added and voted upon by the entire faculty. The ten students receiving the most votes are then named to the Hall of Fame.

## Quill & Scroll for Elite Journalists

Clearwater High School's chapter of Quill and Scroll, an international honor society for high school journalists, chooses its members from juniors and seniors who have contributed to one or more of the school's publications. In selecting members for the society, the adviser of the publications also takes into consideration grade averages: A student must rank in the upper third of his class. One of the group's projects was a sale of photos from all three publications. The Christmas holidays brought a somewhat sad occasion with the death of former English and journalism teacher, Mrs. Edna North Knapp, for whom the CHS chapter of Quill and Scroll is named.

Mr. Pierce, advisor, congratulates new members.

Chris Cubbison initiates new members, Frank White, Leslie Watson, Debbi Ward, Ceci Rophie, Peggie Rhodes, Gray Mason, Mary Lee Hall, JoAnn Charter, Mary Ann Clark, and Debbie Bruner.

## Academics And Curriculum

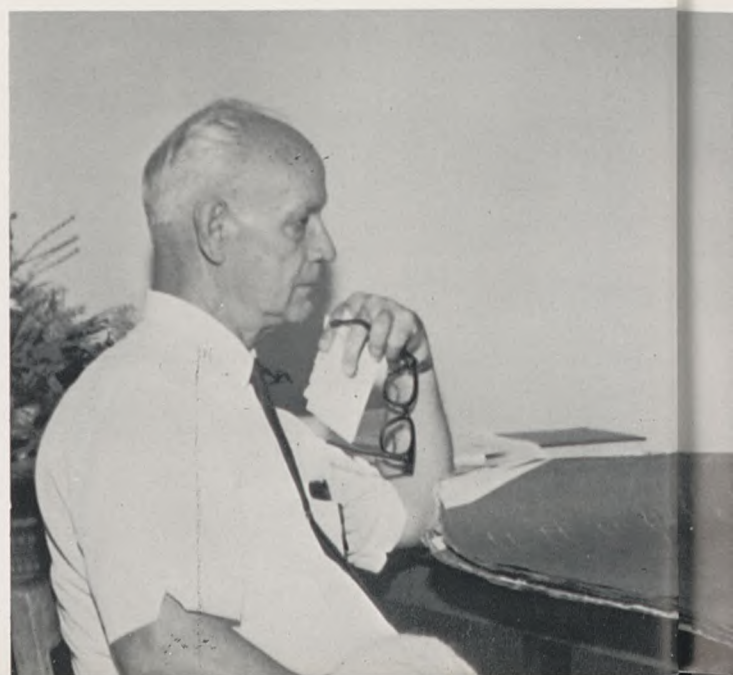

## Our Principal, Robert T. Glenn

As principal, Mr. Robert Glenn is the co-ordinator and administrator of all school activities. But he doesn't stop there — he provides us with valuable support, guidance, and encouragement in addition to his endless hours of service, not only in school, but also before and after and many evenings. In him, we see a true friend and an example of good citizenship.

Having an enrollment of over 1800 students this year at CHS has made it possible for Mr. William Justice to devote his time solely to the position of Assistant Principal. The position of Dean of Boys has been given to Mr. Doug Mason. In his new position, Mr. Justice has many duties pertaining to the mechanics of the school. He files the various reports required, and supervises the care of the buildings and grounds. In addition, he assigns books, lockers, and teachers' rooms and schedules. Curriculum is one of his major concerns.

It is here that the student is counseled about college preparatory courses or those courses vocationally oriented. Mrs. Shelby Kilgore is always willing to help Sophomore students adapt themselves to new situations. Mr. Dennis Stroede assists the juniors with their individual academic problems, and Mr. Adam Forinash works with Seniors as they prepare to seek a job or enter advanced schooling. # Tornadoes Recapture PCC Crown

The Tornadoes proved their determination by coming up from mid-conference standings to co-champions of the PCC. The team kicked off the '66 season by scoring a 34-0 victory over Tarpon Springs as a result of the speedy offensive running attack led by Sears North. With co-captain Craig MacKenzie scoring a game-saving TD pass from QB Pat Osburn, Clearwater tied the greatly favored Pompano Beach 7-7. The Tornadoes next traveled to St. Pete where the game ended up in another heart-breaking 7-7 tie. With a 12-6 loss to winless Northeast, it looked as if the Tornadoes were out of the PCC race with a disappointing 1-1-2 record.

It wasn't all easy going as the faces of Craig MacKenzie and Jim Sever reflect.

Due to the stalwart defense led by Junior standout, Denny Crockett, and the driving offense of Jim Severs, Sears North, and John Krentzman, the Tornados dominated the Homecoming Spectacular by crushing Sarasota 46-0. The Tornados then powered their way over the Dixie Hollins Rebels 19-7 and proceeded to overcome up-county rival Dunedin 19-6. Carrying a mediocre record of 4-2 the Tornados, led defensively by Lee Bean, Rick Goodgame, and George Hunt, defeated Seminole by a score of 27-0. As tension grew in the PCC race, with only two games remaining, Clearwater overpowered Boca Ciega 21-6, to put the Tornados in contention for the conference championship. The last game of the season brought Largo's Packers to Clearwater with a 7-2-0 conference mark against Clearwater's 6-1-2 over-all record. After a scoreless first half, the Tornados put forth an all-out effort and scored an upset victory over the Packers 23-7, giving the Tornados their 2nd straight PCC title.

Homecoming week 1966 was filled with great excitement, spirit, and happiness for all CHS students this year. The annual parade and Tornado Tales started the week with a bang, and the climax of Thursday evening's Tornado Tales was the crowning of Queen Ivey Neese, who reigned over the entire festivities. Friday night's decisive 46-0 victory over Sarasota definitely proved that the Tornadoes "Beached the Sailors", and a mood of elation was set for the dance which directly followed the game. Again the Queen and her court were featured, and the winners of the skits and floats were announced. Homecoming '66 truly ended in complete happiness.

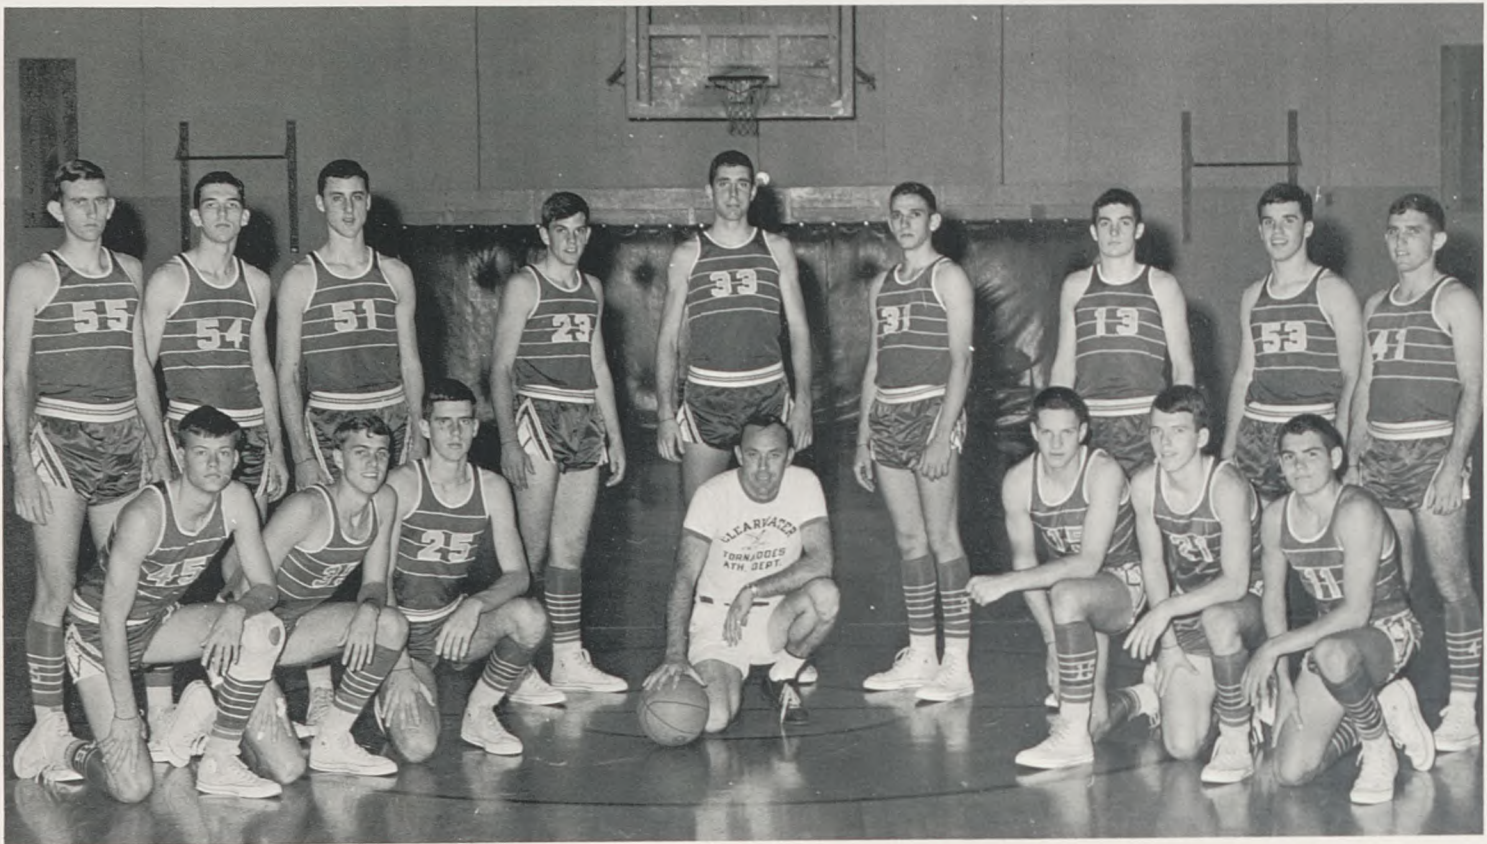

Students prepare the Homecoming Court platform.

Happiness is a Homecoming victory.

As the 1966-67 basketball season opened the Clearwater High Tornadoes were rated Number Two in the state. As a proof of this ranking, the Tornadoes set a new scoring record against Sarasota with 104 points. After winning their first 8 games, the Tornadoes were over-powered in a close match with first-rated Gibbs High 70-66 in the Christmas Tournament. The Tornadoes met Gibbs for the second time at the Bayfront Center before a crowd of more than 8,000, a number breaking all attendance records for a Florida high school basketball game. As the final buzzer sounded, the Gladiators had edged the Tornadoes by a four-point margin of 76-72. The Tornadoes, led by Mike Scott, Steve Lewis, Dale Gambill, and captain Bruce Simmons, acquired a 22-3 overall mark and maintained the Pinellas County Conference basketball championship with a 15-1 conference record.

Through their many efforts, the Varsity Cheerleaders arouse much school spirit. Besides cheering at the games and pep rallies, they post victory signs in the halls before each game. This year they sponsored a "Pin the Packer" voodoo dummy before the Largo football game and sold football cleats during the season. Before the big basketball games with the Gladiators, the cheerleaders sold "Beat Gibbs!" ribbons. Many hard hours of practice make the cheerleaders at Clearwater High School among the best in the state.

Sending delegates to the FSPA Fall Workshop at Leto High and State Convention in Miami Beach, to the University of South Florida Journalism Day, and to the Summer Journalism Institute were the Clearlight and the Aqua Clara. In addition, the members of the Clearlight staff submitted their paper in the Clearwater Sun Up-County High School competition and in the Miami Herald state wide newspaper competition. They also participated in the T. B. Press Project and were co-sponsors of the Calendar Girls election. This year, they continued their award-winning activities which last year won for them such honors as a Quill & Scroll National rating of first place and the Elk's Public Service Award.

The members of the Aqua Clara staff have made it possible for the yearbook to become a member of both the National and Florida Scholastic Press Association, and have enabled the book to gather such awards as first place in the National School Yearbook Association and the Columbia Scholastic Press Association critical services. Both publications have truly proven themselves outstanding.

# Help In Many Ways

6-8-67

To Miss R. -

All the words in any language could not possibly begin to express what you mean to me. Perhaps in English, the closest word would be "everything." All of the kind, sweet, and wonderful words and thoughts you have given me are really appreciated and I assure you, will never be forgotten. You are, without a doubt, the most wonderful person I have ever met or ever will meet in my lifetime. I am so very grateful that our paths were allowed to cross.

May you always be blessed with happiness and good health, which you so very well deserve. My thoughts and prayers will always be with you.

Ja cie, Kocham, dwa.

## WANTED: Crew to explore a new world!

Vast unknown territory, rich potential. Some space travel. Ingenuity, adaptability essential. Challenging opportunity for skilled workers, rapid advancement. Adventurous high school and college graduates are eligible.

The new world? A small solar planet named Earth. Not visible to the unimaginative, but many can see it now. And—it's exciting!

The new world will be colonized by 90% of all the scientists known to history . . . and by technicians, specialists, teachers, writers, and many we can't name—because *half* the jobs there, ten years from now, do not even exist today!

How can you qualify for the expedition? Acquire skills needed for *today's* jobs—in college, technical, or special school. Then keep up with the knowledge explosion by *continuing* education—in graduate seminars, adult education and TV courses, on-the-job or armed services training.

When you're set to take off, you'll go a long, long way. Bon voyage!

## Epilogue

Our lives grow and gain new meaning just as a trickling brook gains strength to become a flowing stream, a rushing river, and ultimately a part of its final destiny, the vast and restless sea. Our first experiences in learning came when we were young children as we observed the actions of others. Throughout our years of schooling, we have amassed new learning experiences in preparation for our eventual contribution to society. This year, 1966-67, has been a significant one for most Clearwater High School students. We have tried to make the Aqua Clara a record of that year. In years to come, a person flipping through these pages may recall memories of those important years of his life—those three at Clearwater High. We would like to extend our sincere appreciation to our advisor, Mr. Tom Pierce, for the hard work and seemingly endless hours of his own time that he has contributed to help make this book possible. Many thanks for outstanding photography are due Al Fisher of Bryn-Alan Studios, Mike Laurance, now with U.S. Camera magazine, and Bert Cremer, student photographer.
